MADE FOR JAMAICA

Electric every day. Never stranded.

Jamaica's first range extended EV. Charge at home for the daily drive, and the 1.5L petrol engine charges the battery when you need the distance, so every petrol station in Jamaica becomes your backup.

01

When the lights go off

Power cut? Hurricane season? The Friday's 1.5L petrol engine kicks in automatically. No waiting, no searching for a charger.

02

Fill up anywhere

A 43 L fuel tank and up to 1,150 km of combined range. Every petrol station in Jamaica becomes your safety net.

03

Smarter than a pure EV

Charge at home for the daily commute and switch to petrol when you need the distance. All the smoothness of electric driving.
