MADE FOR EVERYDAY JAMAICA

COMFORT FOR EVERY ROAD. SAVINGS AT EVERY PUMP.

The Alvez is built around comfort and efficiency, not lap times. A smooth 1.5L engine and CVT, a ride that soaks up rough roads, and a cabin full of smart technology make it a compact SUV for the way you actually drive.

MORE COMFORTABLE

SMOOTHS OUT EVERY SURFACE

A comfort-tuned chassis, McPherson strut front and torsion beam rear, makes the Alvez one of the most comfortable vehicles in its class on uneven roads.

MORE EFFICIENT

BUILT TO SAVE AT THE PUMP

A 1.5L naturally aspirated engine with a CVT and 16" wheels, tuned for fuel economy rather than sport, for some of the best fuel consumption in its class.

MORE PRACTICAL

UP TO 625 L OF CARGO SPACE

Fold the rear seats for up to 625 litres. Electric sunroof, anti-pinch auto windows on every door and keyless entry make every trip easy.

MORE ADVANCED

INTELLIGENT TECHNOLOGY

A 10.25" touchscreen with smartphone integration, Internet of Vehicle, WIND voice command and a full Level-2 ADAS suite.
